stroys Nearly All the Buildings at the Kansas City

Fair Grounds, Creating a Panic that Came Near Resulting in a Fearful Loss of Life-But the Fair Will Go On.

KANSAS CITY, September 14.—A terrible disaster occurred at the Fair Grounds this afternoon, resulting in the destruction of the main hall and all the surrounding buildings. A fire broke out in the west end of the main hall at 3:45 p.m. At the hour the hall was densely crowded, and at once a panic seized upon the multitude. All efforts to quiet the excited and terror-stricken people were of no avail, and in their confusion they rushed bither and thither, trampling each other down, while shrieks, groans and cries filled the air.

He has a son and daughter in Am Arbor.
Toronto, September 14.—The propeller Jame Millar, at the Sound, reports picking up at Lyons Head four of the crew of the lost schooner Regimas. Their names are John Young, W. Lawrence and John Oaker, of Part Huron, and a sailor, name unknown. Captain Amos Tripp is still missing.

New York, September 14.—The fifty-sixth annual fair of the American Institute opened this atternoon. This year's fair will be the largest ever heid. Every available foot space has been rented and will be covered in the exempts of the subject of determining an equitable basis foot of floor space has been rented and will be covered in the sevening, and before the village was overwhelmed by the second stoor space has been rented and will be covered in the exempts of the subject of determining an equitable basis to the said behave of deposits, the Commissioner referred to his ruling in the subject of determining an equitable basis to recommend that the list of victims must include forty men of a neighboring village, who came to aid the people when the first land slip occurred in the evening, and before obleve the largest ever heid. Every available foot of floor space has been rented and will be collected, and not squeeze out of bankers of brokers what is not spacet at the said basis on the object of determining an equitable basis of or collecting the tax table balance of deposits, the Commissioner referred to his ruling in the laterational Bank case, in which design the available to allow the first and slip occurred in the evening, and before collected, and not squeeze out of bankers of brokers what is not squeeze out of bankers to oblete only such taxes as the law said should discontent to oblete only such taxes as the law said should discontent to the proposed to the train still selected, and not squeeze out of bankers to oblete only such taxes as the law said should decision. He said his decision. He said his decision the subject of determining an equitable basis of the subject of determining an eq THERE WAS NO LOSS OF LIFE,

and no one is reported missing up to the present time. The losses will foot up fully \$50,000, including the buildings and their contents. The losses are distributed among various exhibitors, and there was very little insurance. The Exposition company's loss is about \$10,000 on the buildings destroyed. The Board of Directors held a meeting after the fire, and announce to the public that hey will clear up the debris to-night and proceed with the programme to morrow, be-ginning where it was broken off to-day.
